Discover the joy of working with a professional DJ company that anticipates your and your guests' needs. We offer three reception packages.

First is our **Signature package**, which is \$2495 for the first five hours of your reception. This includes DJ Strizy and a full sound system (which can adequately accommodate up to 250 guests). This package includes our Intelligent Uplighting system.

Our second package is the **Classic package**, which is \$1695 for the first five hours of your reception, and it includes a single DJ/MC and a sound system (suitable for 125 to 200 guests). You can relax and have fun while we tend to all of your details. We will help to ensure the reception flows smoothly by:

"Finally, we offer the **Sweet n' Simple package**, which is \$1,250 for up to four hours of your reception. This includes a single DJ and a professional sound system to curate your playlist. We require a 25% retainer with the return of the agreement to reserve your date. We ask you to return your itinerary (reception planner) for the reception and the **balance due at least 30 days** before the event date. Please contact our office to receive the agreement and check availability. We do offer additional packages. Please see the enclosed flyer.
